Subject: Short-Term Disability Update

Dear HII Corporate Employees:

On April 9, HII announced that the seven-day elimination period for receiving short-term disability (STD) benefits would be waived until May 15. Due to the extended nature of the coronavirus (COVID-19) pandemic, we have extended this waiver through May 30.

Per this update, the seven-day elimination period for receiving STD benefits is being waived for all eligible illness and injuries through May 30 as long as employees submit appropriate medical documents to their leave of absence department and the STD benefits service provider Prudential. This waiver not only applies to employees who contract COVID-19, but to all illnesses and injuries normally covered by the STD plan.
