HII Scholarship Fund: Kaleb Nailer

My name is Kaleb Nailer and I'm an international trade compliance analyst here at Ingalls Shipbuilding, a division of HII. When I was in my second semester during my freshman year of college, I was awarded the HII scholarship and went on to be continually awarded that scholarship until my graduation from the University of South Alabama in 2019.

I am proud to say that I am the first college graduate in my family and I know that that HII scholarship played a huge part. Not only has HII helped me in my education, but HII has helped me in my career. It all began with that scholarship. I would really like to implore you all to apply for this scholarship before that April 16th deadline, because you never know how big of a difference it's going to make in your life to you as well as your family.
